PROVIDING VITAL SUPPORT TO THE HUNGRY OF MARIN

The goal of the **St. Vincent de Paul Society of Marin County** is straightforward:

To provide free hot meals and other vital services to our neediest neighbors in Marin who are struggling to make ends meet and who might not otherwise receive help. We do this without government support or church funds thanks to our generous donors who value and support the work we do.

Each year our Free Dining Room serves more than 250,000 meals, providing the only sustenance of the day for many of our diners which includes families with children, senior citizens, people with disabilities and the homeless. Currently we are the only Free Dining Room in Marin. We have provided hot meals every single day since 1981.

The Harbor Point Charitable Foundation is producing this 4th annual Golf Fore Giving event honoring the memory of William Gundry, a faithful supporter of the St. Vincent de Paul Free Dining Room.

Since 2005, the mission of the **Harbor Point Charitable Foundation** has been to provide funding to organizations which serve adults undergoing a health crisis and funding to organizations which increase the quality of life for Bay Area children through health services, education and social enrichment programs. So far over \$1,600,000 has been distributed to worthy charities such as St. Vincent de Paul Society of Marin County.
