WELCOME

Dear Friends,

What a treat to see you all here this evening! As we prepare to embark on another remarkable journey with our signature gala, "Pennies from Heaven," we are overwhelmed with a profound sense of humility and appreciation for your unwavering support for St. Vincent de Paul Society of Marin.

We extend our deepest thanks to our invaluable benefactors, whose generosity has been instrumental in our mission to provide housing for the homeless and nourishment for the hungry. Your selfless contributions have not only transformed countless lives but have also inspired hope in the hearts of those who have lost it along the way.

At St. Vincent de Paul, we firmly believe that every individual is deserving of love, care, and a chance for a brighter future. Together, we have created a haven of hope, where the destitute find solace, the hungry find nourishment, and the forgotten find a helping hand. It is with immense pride and gratitude that we acknowledge the role each of you plays in making this possible.

As we gather tonight for our "Pennies from Heaven" fundraising gala, we want to take this opportunity to celebrate the remarkable achievements we have accomplished together over the last 79 years. It is a time to reflect on the lives we have touched, the dreams we have ignited, and the transformative impact we have had on our community. Your ongoing partnership not only sustains our programs but also provides us with the motivation and encouragement to continue expanding our reach and striving to achieve greater feats.

We wish to extend our sincere gratitude to our Host Committee, the extraordinary SVdP Auxiliary Board, for their thoughtful planning and execution of our gala. Special thanks to Jennifer, Sasha, Kim, and Elaine, our dynamic development team – you gals are all SO amazing! And enormous gratitude to our Board of Directors and St. Vincent de Paul Society conference members for their commitment to and unbridled energy for St. Vincent de Paul Society of Marin!

In closing, we extend our deepest appreciation for your unwavering support, your unending kindness, and your steadfast commitment to our mission. Many companies offer employee match programs.

These programs can significantly amplify the impact of your gifts. Check to see if your company participates in this initiative, as it could allow you to double your gift to St. Vincent de Paul (SVdP) and help support their vital work in the community.

Every contribution matters, and with a match,
your generosity can reach even further!

FUND-A-NEED

Homelessness can happen to anyone. Just one illness, job loss, or economic downturn is all it takes for many of our neighbors. At **St. Vincent de Paul**, we are dedicated to building a Marin County where no one ever has to worry about how they will eat or where they will sleep.

St. Vincent de Paul is witnessing more and more people fall into first time homelessness. Seniors are a particularly vulnerable group. The rising cost of living can push seniors who were once secure into homelessness.

Tonight, our goal is to raise \$250,000 to solve and prevent homelessness for our vulnerable seniors. **Did you know that just \$3,000 can help find housing for one homeless senior and change their life forever?**

\$20,000 will provide case management for seven seniors to move from homelessness and into safe and affordable housing.

\$15,000 will provide case management for five seniors to move from homelessness and into safe and affordable housing.

\$10,000 will provide case management for three seniors to move from homelessness and into safe and affordable housing.

\$5,000 will provide case management for two seniors to move from homelessness and into safe and affordable housing.

\$2,500 will provide case management for one senior to move from homelessness and into safe and affordable housing.

\$1,000 will keep a precariously housed senior housed with the aid of rental assistance.

\$500 will pay a precariously housed senior's utility bill for three months to help them stay housed during a crisis.

\$250 will pay for a precariously housed senior's food for a month so they don't have to make the impossible decision between food and rent.

\$100 will pay for a precariously housed senior's lifesaving medication for one month.
